

## Broadmead Vehicular Access

Broadmead is a pedestrianised area and cannot be accessed by vehicles between 8am – 6pm (Monday to Saturday) or between 8am – 5pm (Sunday). This means that there is no access to shops on Broadmead or Merchant Street during this time period.

### When can I access the pedestrianised area with a vehicle?

The bollards are removed by Bristol City Council:

Monday to Saturday: between 5am – 8am, and 6pm – 8pm

Sunday: between 5am – 8am, and 5pm – 8pm

All deliveries must be made during these times and all vehicles must be removed from site by 8am or 8pm each day.

### How can I access the pedestrianised area?

Access on to the pedestrianised area is from The Horsefair on to Merchant Street (turn right near Starbucks); vehicles must exit the area via the opposite end of Merchant Street, near The Gym Group.

### How can I arrange access out of hours?

It is possible to arrange for vehicles to stay in Broadmead later than 8pm for shop fitting works, and a charge of £25 (as at 1 July 2024) is made by Bristol City Council to remove the bollards.

If you need to arrange a later release time, please email [security.requests@bristolworkplace.co.uk](mailto:security.requests@bristolworkplace.co.uk) to book in advance.

For emergency requests, call the Security Services 24-hour duty number on 07770 965 220.

For other queries, call Bristol City Council office directly on 0117 903 1550.
